

5 Hours... Not 3 Months

Twenty years ago, it took and average of 3 months' wages to pay the hospital bills resulting from a case of pneumonia. Today, a case of pneumonia is usually cured at home — with drugs that cost an average of only 5 hours' wages.

That's one of the many facts that prove — today's prescription drugs are the biggest bargain in history!

First Concert Of Season

String Quartet Shows Finesse, Sensitivity

By John McCabe Moore

At 8 p.m. yesterday the Tri-City Community Concert Association met for the first concert of the 1960-61 season at Granite City high school auditorium. The New Danish Quartet, consisting of Arne Svendsen, violinist, Palle Hedeblom, violinist, Knud Frederiksen, violist, and Pierre Rene Homens, cellist, presented an excellent program of chamber music.

The performance began with Haydn's Quartet in D, Flat Major, opus 64, number 6. This work was well chosen, as it represents the best in classical chamber music, and as such is pleasingly melodious.

The artists showed perfect coordination and excellence of tone and expression which vindicated their international fame. The minuet-allegretto movement had the sweet taste of fine folk-music and as such is rarely encountered. The more exciting presto-finale emphasized the brilliant attitude of the ensemble members to each other.

Chamber Music Development
A Quartet in F Major by Carl Nielsen, outstanding Danish composer of modern times, showed the extensive development of chamber music which has occurred since Haydn. When first presented in 1906, it surprised the listeners with its unusual "modern" effects. It is, however, a most beautifully contrasted work which the sensitive artists interpreted superbly.

The music is intricate, but not unpleasantly so. Compared with the Haydn it is deep, highly colored and varied, both in mood and treatment. Unquestionably, the Danish quartet opened a wonderful new area to string-lovers with Nielsen's music. The Nielsen showed increasing brilliance throughout.

The artists shading was outstanding, and a Gershwin-like sweetness characterized the Scherzo movement which concluded the work.

Taxicab Strike In Stalemate, No Meetings Planned

The taxicab strike seemingly was at stalemate dead-center today as the walk-out of 28 drivers entered its 11th day.

Talks looking to cab service resumption did not appear likely to materialize in the immediate future, at least according to the declarations of representatives of the strikers and fleet operators.

Unconfirmed were rumors that an Illinois state labor department mediator would be asked to intercede to bring about a settlement.

Fern Rauch, East St. Louis, a department mediator, said he had not been asked to step in. He noted that arbitration facilities of the labor department are available.

The strike was called at 6 p.m. Monday, Nov. 7, by taxicab driver members of the Teamsters and Chauffeurs Union Local 525. Patrick Meyer is franchise holder of Checker cab operations, one of the five truck transportation companies in St. Louis. Meyer is franchise holder of Checker cab operations, one of the five truck transportation companies in St. Louis.

Pickets in cars and on patrol have been at the dispatch offices at 1920 State street and at the corner of 19th and State street.

Cross-currents of controversy, contention along with statements and denials have been striking adjustments, including what had earmarks of a "sit-in" demonstration Saturday at Cliff's Grill, operated by Stephens.

Among the 35 "sit-in" demonstrators were members of the Teamsters Union, Stephens reported.

Stephens explained today that at about 11:30 a.m. last Saturday a group of about 35 men entered his restaurant at 19th and State streets and remained there, occupying stools and tables for a period of about 1 1/2 hours.

"They ordered coffee, repeatedly, and a few of them had pie, but essentially they crowded out the regular noon day trade," the proprietor explained.

"My place seats 31 persons and in consequence all other patronage was crowded out."

"I recognized a number of the men, and I know for a positive fact that 20% of them are members of the Teamsters Union Local 525."

"I counted no striking cab drivers in the group."

Stephens said that over the years of his cab operations, he had won a wide acquaintanceship among Teamsters Union members, and could therefore identify many members of the local among the group.

Proprietor's Statement
The eating establishment proprietor was at pains to deny, emphatically, he had said he didn't want union teamsters or chauffeurs to patronize his recently-opened restaurant.

"I welcome them as well as all others who in good faith come in to be served, and they will be served," Stephens enunciated.

Selection By Beethoven

Beethoven's celebrated Rasmovsky quartet (C Major) was presented after the intermission. Opening this work, the artists brought out the poignance of memory, seemingly painting a miniature of Beethoven's long friendship with the Count, the vivacity and triumph in the Count's personality being shown as the first movement continues. At times almost ominous, the second movement in A minor carries the feeling of patient effort against odds. It is a complex of feelings with small triumphs, insistent strivings against an undertone of suppression. At points the cello seems to provide the human heartbeat itself. The movement ends with muted sadness and is a sort of figurine of Beethoven's death. The gracious, more extroverted movement opposes the sentiment of movement II.

The artists showed great sympathy to the majestic gentleness of Beethoven, a character which colors much of his music. The very fast finale showed again the intricate and consummate skill of which the musicians are possessed.

Maximal For Encore
The insistent encore call by the audience brought the group back to present Mozart's Allegro G Major Quartet 387. The spontaneity and fluidity of Mozart was excellently portrayed.

All four quartet members are courtesy gentlemen. In spite of handicaps in respect to accommodations they were most cheerful and friendly. Assistant President Dan Todoroff reports them to be fully as interesting and personable as the music they are presenting.

The quartet was enthusiastically received, and the appearance was most timely since it concurred with the present introduction of stringed instruments into local school instruction.

"My place is open for business to all who want food service, but this group apparently was staging some sort of sit-in. I requested them quite politely to make room for my regular customers, after giving them a very respectable time to drink their coffee and eat their pie."

"I surely did not say I didn't want or welcome teamsters and chauffeurs patronage."

Marshall McDuffy, president and business representative of Local 525, countered the Stephens denial with a statement made today. He said:

"I have told the Teamsters Union that Cliff (Clifford Stephens) has requested they keep out of his place."

"I have been told by Cliff that he doesn't want them; I have been requested to tell this to the members, and I have."

McDuffy was noncommittal when advised of the alleged "sit-in."

"A lot of Teamsters come in and out of there daily," he responded.

Vacation Pay Issue
The issue of paid vacation appears to be the major item in the controversy which has kept the cab fleets off the streets.

Strikers ask a \$25 increase in vacation pay.

Meyer, holder of the Checker franchise, today said among strikers' demands was to make a 25-cent handling charge on passengers' large bundles and bulky packages.

He explained he did not think this applied to luggage, but to large bundles, notably outside bags of groceries carried by cab riders.

The Checker fleet operator said the commission of the drivers ranged from 35 to 43% of the gross cab receipts.

"Some starters get 35% of the gross, but all my beginning drivers get 40% and after a year's employment, receive 43% of the fares."

"Drivers have no expense of maintenance, upkeep, insurance or incidentals, which falls on the shoulders of the fleet operators," he elaborated.

All area drivers work on a commission basis.

Package Charge
McDuffy, in an explanation of the service charge request, said that where drivers are obliged to handle large numbers of bags, boxes and unwieldy bundles, they ask the right to make a 25-cent charge for this service.

"This would not apply to luggage and or parcels handled by the rider, and is a practice in use in most all cities," McDuffy noted.

None of the principal representatives in the strike-resistant controversy were ready to say when and if negotiations talks would be held.

McDuffy viewed the strike as checkmated; Stephens said he would welcome mediation and an audit of his books which, he asserted would show he was losing money in his cab operations.

Meyer maintained he knew of no imminent labor-management meeting.

MORE ABOUT Universities Bond Vote

(Continued from Page 1)

taken into account in arriving at the basic figure the referendum must meet to gain approval.

"Dr. Gibson has calculated that if 3% of the voters did not ballot on legislative candidates, taking the all over poll, this would still leave something like 4,000,000 General Assembly votes," Dr. Brubaker explained. "One half of this unofficial estimate is 2,000,000, and already the bonding referendum has polled in excess of this figure," he emphasized.

Recapitulating, Dr. Brubaker explained that if the General Assembly total fell below the Dr. Gibson estimate, bond passage was assured.

If considerably in excess of the estimate, there still remains a leeway for a majority count for the bonds.

Dr. Brubaker noted that under the terms of the building proposition, \$25,000,000 has been earmarked for the southwestern SIU campus buildings and development.

He anticipated legislative action to follow the formal canvass of the voting.

He said that the present target date for the completion of the buildings at the campus was late in the fall of 1964. This, he added, and the completion date might well be ahead of his prediction.

Homicide Ruling In Shooting Of Granite City Man

A verdict of homicide in the Nov. 3 shooting of LeRinz Oliver, 31, Granite City, was returned yesterday afternoon by an inquest jury, which recommended that John William Stamps be held for action of the Madison county grand jury.

The 21-year-old Stamps, a term for burglary of a tavern in several years ago, was issued the same day.

He was brought here from the county jail for the inquest and then was returned to Edwardsville.

Only testimony heard was given by Madison police, who presented some of the evidence obtained during their investigation of Mr. Oliver's death.

Stamps was not represented by counsel. Assistant State's Attorney John Gitchett was present on behalf of the state's attorney's office.

The jury ruled that the death was caused by a gunshot wound of the face. Mr. Oliver, the father of four, was found by police at 4:10 a.m. Nov. 3 lying in a pool of blood in the middle of Madison avenue, near Fourth street. He died 90 minutes later at St. Elizabeth Hospital.

Police apprehended Stamps and two other men in the vicinity, and also questioned a woman who had just left the area. The warrant against Stamps, a Granite City man who had served a term for burglary of a tavern in several years ago, was issued the same day.

Youth Appreciation Activity

Students Operate Granite City Government—An Hour

Eight honor students at Granite City senior high school "took over" the operation of the city government here yesterday morning for an hour, invading city hall in connection with the local Optimist club's "Youth Appreciation Week" observance.

The city administration carried on without any visible hitch while the students were in charge, although there was some talk of enacting legislation declaring the day a school holiday.

The various student city office holders were selected by the Optimist club. They included Mayor Leon Vaughan, 79, former half-century Granite City resident, died Tuesday at Baltimore, Md., where she had lived since moving from the Quad-Cities.

Mrs. Vaughan held membership in the Order of Eastern Star Chapter 650, Gabriel Shrine 78, the Ladies' Auxiliary of St. David's Society and the First Presbyterian church here.

She was the widow of David Vaughan, a steelworker.

For funeral arrangements, see today's obituary column.

and Davis in his conference room yesterday and discussed the operation of the city government, together with the chairman of the Optimist club, Chief of Police and Noonday Optimist club president Frank Rea.

A tour of the various elective city offices, the police department and new downtown fire station followed before the city government was returned to the hands of the officials who had been " ousted " for an hour.

Students who served as the various city officials were: Larry Diak, mayor; Casey Fredericks, chief of police; Mike Mundy, fire chief; Phyllis Wallace, city clerk; Mike McVoy, treasurer; Janice Cardner, assessor; Myra Willard, comptroller; and Pat Schuman, whose father holds the regular office, city judge.

Mrs. Ada Vaughan, 79, Dies At Baltimore

Mrs. Ada Vaughan, 79, former half-century Granite City resident, died Tuesday at Baltimore, Md., where she had lived since moving from the Quad-Cities.

Mrs. Vaughan held membership in the Order of Eastern Star Chapter 650, Gabriel Shrine 78, the Ladies' Auxiliary of St. David's Society and the First Presbyterian church here.

She was the widow of David Vaughan, a steelworker.

For funeral arrangements, see today's obituary column.

MORE ABOUT

Stable World

(Continued from Page 1)

Communists in financing Soviet armaments and combination economic-physiological campaigns abroad, Dr. Shimkin said, relating that well-trained Communist agents have been responsible for organized rioting, unrest and terrorism in many countries.

"World war II was a tremendous setback for the Soviet Union, but despite this it is today an industrial and scientific power of the first magnitude with a very real consolidation of authority from the Elbe to the China frontier. But its gains have been made at an incredible sacrifice and represent far from a complete victory.

"For the Soviet people, the industrial effort represents a sacrifice very slightly less than that of world war II. Since the early 1930s, forced collectivization has resulted in a sacrifice of 10,000,000 lives. Even the Soviet people can no longer take this type of bleeding.

"Thirty years of war and privation have left a great shortage of men, with a significant effect on the labor force and a decline in the birthrate, particularly among Russians, who make up only half of the people in the Soviet Union.

"Today, conditions are better but the basic problems have not been solved. Agriculture shows an extent of privation greater than that at the beginning of the Communist state. Floor space still averages a third of a room per person, and electric bills are so high that families may have lights and a radio but cannot afford to operate a hot-plate or refrigerator.

Hike World From Russians
"Living standards of Soviet citizens are lower than in any major country of Europe, certainly lower than the average in Italy. Since our fair exhibit in Moscow, they have intensified jamming of all broadcasts and are trying to keep the outside world from their own citizens.

"With each generation of arms—five to seven years for equipment—the cost of equipping each soldier, airman and sailor increases approximately five times. In the last five years, Russia has had to reduce its soldiers from 3,500,000 to 2,500,000. "Some of these facts permit us to see a little beyond the Soviet rocket rattling. In addition,

some of the limits on Russia are due to sacrifices by the American people. U. S. public and private interests have spent \$100,000,000 building up Western Europe and aiding free people everywhere, and we have revolutionized certain of our strengths. "Our uranium source once was limited to the Congo and Canada, but now we have uranium running out of our ears and will have no bottleneck in supplying fissionable materials. The Soviet Union is not in as good a position.

Forecasts Russian Change
Noting that a standoff began becoming apparent by 1955, Dr. Shimkin said it is logical that Russia out of self-interest will become more and more in accord with U. S. efforts to develop rapprochement.

"We have made some very small steps toward reduction of tension. There have been no large-scale atomic explosions for at least two years, and an international agreement on Antarctica is being worked out. An uneasy and unstable degree of balance without war looks possible for the future.

"Unfortunately, the situation is changing and becoming much more complicated. Atomic energy is no longer a rich nation's toy, and the number of potential atomic powers soon will be 10 to 15. Consider the rise of China. West Germany now commands more armaments than under Hitler.

"The Soviet Union has found it easy to exploit tension and guerrilla warfare to destroy young

nations, but not so easy to control them, such as in Egypt and Iraq. Starting with the Congo the U. S. has put all its efforts toward creating United Nations power to stabilize conditions under which new nations can develop. The Soviet has fought this, but may eventually join in the effort.

Chinese-Soviet Bitterness
"Most people do not realize the extent and bitterness between China and Russia over control of Mongolia, and Russia has been steadily losing out for the last seven years. China has placed a great drain on the Soviet economy, and the Soviet paradoxically cannot supply all the goods China is willing to buy.

"The Soviet is not a free agent," the speaker concluded, emphasizing that it has much to lose as well as gain from a war while some small countries with "little sense of responsibility" have little to lose and much to gain.

He asserted that it is "pathetically easy" to make nuclear radioactivity more intense, minimizing the possibility of successful defense through "narrowing underground."

The new Chamber of Commerce president, Lichtenberger answered a series of questions which he said are the most commonly asked about the Chamber and urged efforts by every member to improve the community.

Great Potential For Area
"The Tri-City area has one of the greatest potentials for future development of any area in the nation. It is up to us to work

Granite City PRESS-RECORD

Thurs., Nov. 17, 1960 Page 5

and try to achieve this potential," Lichtenberger said in a talk following the installation of officers. He commented that the resumption of a monthly bulletin is helping the members to keep informed.

Lichtenberger and Meyer praised the work of Elizabeth Dobry, executive secretary, and Meyer said a detailed report of activities in the past year is being prepared for distribution to members.

B. C. "Tip" O'Neill served as program chairman, and prayers were offered by Rev. John Barrett of St. Joseph's Catholic Church and Rev. Calvin Marcum of the Namewick Presbyterian Church. Six Venice public school boys presented a vocal music program, accompanied by Mrs. Andrew Brown, and Jack Johnson played organ music during the dinner.

New directors announced were Oscar Albert, Baker, William C. Brockus, Lyle F. Guiley, Ernest A. Karandjeff, Howard W. Kaseberg, Arthur E. Kasper, Arthur L. Laur, C. M. Lomax, Thomas A. Sullivan, Irby V. Todd, C. E. Townsend and E. E. Van Stee. Past presidents recognized included E. G. Schmitt, Laur, Henry D. Karandjeff, E. A. Karandjeff and Ernest E. Veihl Jr.

Six Boys Approved For Eagle Rank Last Night

Six applicants, including four from the Quad-Cities, received local approval for Eagle rank last night during a Cahokia Mound Council "board of review" held at the Boy Scout office in Granite City. Jack Friedman, council Eagle review board chairman, announced today that the committee reviewed the group and decided to send six names to the national scout council for certification. Final approval rests with the national office. Those approved by the committee were William Laycock and Bernard Yavin, both of the Niedringhaus school PTA-sponsored Troop 12; Allen Charbonnier and Gary Morris, both of First Assembly of God Troop 11; Robert Bethel of Collinsville Explorer Post 37; and Donald Birger of Glen Carbon Explorer Post 34.

Parakeet Reports To School, Owner Sought

A parakeet went to school today in Granite City, duplicating an incident occurring several years ago at the Niedringhaus school. The parakeet involved this morning—a bluish-green bird—flew into the first grade classroom, of Miss Myrtle Traper at

Webster school and quickly captured the interest and sympathy of the young students.

A bird cage was obtained, and the parakeet is being kept by Miss Draper until the owner can be identified.

MISSIONARY SOCIETY

NOVEMBER MEETING
The November meeting of the Women's Missionary Society of the Good Shepherd Evangelical United Brethren Church was held Monday evening at the church. The meeting was opened with prayer by the president, Mrs. Wabeta Talley, who conducted the business session.

Mrs. Jessie Drury and Mrs. Marceline Dawdy led the program entitled, "Heritage Challenge: Horizons" and the "Thank Offering Service." All turned in their offering boxes.

Mrs. Talley sang a special song. The hostess for the month, Mrs. Janice Ritchey served refreshments to the above mentioned and Mesdames Wanda Sherman, Pat Emring, Nancy Ford, Lillie Loar, Jean Thompson, Erna Bryan, Mary Layton, Virginia Rainwater and one guest, Mrs. Josephine Matthews. The next meeting will be Dec. 12 at the church.

SPECIAL THANKSGIVING SERVICE AT NEW CHURCH

A special "Thanks-To-You" service was held Wednesday evening at the Glenview Chapel Assembly of God Church, Wilson avenue and Maryville road.

The service was held in observance of Quad-City Youth Appreciation Week and the Thanksgiving season and to thank the young people of the church for their many activities, socially and spiritually.

The program included special song arrangements by the young people and a time of remembering their work for the past four months.

The congregation, led by the pastor, Rev. C. E. Barr, moved into the new church building recently and the youth of the church have sponsored and participated in many activities, including their weekly Wednesday evening services and picnic at Cook's Camp Grounds, farewell parties for servicemen, the presentation of Bibles to servicemen and many others. At present they are planning a caroling tour of the area during the holiday season.

Maryville PTA Discusses Drive For Members

Maryville school on Maryville road held open house Tuesday evening before the regular PTA meeting. Owen Humphrey, principal, and the teachers welcomed those attending.

Kenneth Gleason, president of the PTA, conducted the meeting and a report was heard on the chili supper and book fair held recently.

A report from the membership committee showed there are 540 students at the school and 98 parents in the PTA. A membership drive is to get underway immediately in an effort to interest more parents in joining the PTA.

Mrs. Helen Hays, fourth grade teacher, explained the need for a library, saying the bookmobile does not service Maryville school as it is beyond the city limits. She said the state has a bookmobile and suggested contacting the state government.

A display of new raincoats and caps for the patrol boys was shown.

Gleason again asked the parents to form a single line of traffic when entering or leaving the parking lot, so the buses will have room. He thanked the Cloverview Garden club for its gift of a pin-oak tree for the grounds.

The next PTA meeting will be held Dec. 13, due to the Christmas holidays.

Mrs. Rehagen Hostess For Evening Etude

The Evening Etude Music Club met last night in the home of Mrs. Clem Rehagen, 2242 Delmar avenue.

Mrs. Woodrow Williams, president of the club, conducted the business session and appointed Mrs. Julie Bartels club librarian.

Those participating in the music study program were Mrs. William Ledbetter, Mrs. Stanley Young, Mrs. Nelson Hediger, Miss Elsie Maylath, Mrs. Williams, Mrs. Rehagen and Mrs. Bartels.

Relating to the study program, Miss Maylath played a piano selection, "Romance," by Anton Rubinstein, the recording of George Bizet's "L'Arlesienne Suite No. 2," was heard and a filmstrip of "The Firebird" was shown.

The programs are developed each month from the current issue of Keyboard Magazine, a music publication received by each member of the club.

A Christmas party will be a feature of the December meeting at the home of Mrs. Douglas Aune, 3310 Wilshire drive. The program will include piano numbers from "The Nutcracker Suite" by various members.

GCB Club Meets With Mrs. Dawson

The GCB Club was entertained Wednesday afternoon in the home of Mrs. Grover Dawson on Edison avenue.

The hostess served a 1 o'clock luncheon to the club members present and two guests. Mrs. Linda Theis and Mrs. Paul Edmonds. Prizes were won by Mrs. Mae McCauley, Mrs. Theis, Mrs. Edmonds and Mrs. Lottie Scher-rer.

The next meeting will be with Mrs. John Harbig, 2200 St. Clair avenue.

600 Attend 'Open House' At Washington Grade School

One of the largest turnouts in the history of the Washington school was that Monday evening when more than 600 members of the PTA, parents and friends attended the annual National Education Week open house.

In a short talk preceding the tour of the building, Fred Noeth, principal, invited the visitors to visit all of the rooms, not only those of their children.

He suggested they tour the kindergarten to the sixth grade in order to better understand the work of the 630 students of the school.

Refreshments were served after the open house by the members of the teaching staff.

Gay Gabbers Hold Meeting

The Gay Gabbers Club met Wednesday afternoon with Mrs. Kathleen Clontz, 2821 Dogwood drive.

Mrs. Margaret Pithers, one of the members, celebrated her birthday at the meeting and there were games and refreshments. Prizes were won by Mrs. Vivian Davis, Mrs. Dorothy Riverburgh and Mrs. Pithers. Eight were present.

400 View All-America Film At Frohardt

The annual open house of Frohardt grade school was held Tuesday evening, with approximately 400 parents attending.

With the room mothers acting as hostesses in the classrooms, the parents met the teachers and viewed displays their children had made for the occasion.

Mrs. Robert Vesnas announced that 93 new members were accepted at the meeting.

Two showings of the All-American City film were presented in the gymnasium, and refreshments were served by the room mothers under the direction of Mrs. Lewis Rains in the cafeteria, which was decorated in an autumn theme.

Mrs. Charles Rodell, president, announced that the next meeting will be Dec. 13, one week ahead of the scheduled meeting date due to the Christmas holidays.

MOTHERS OF TWINS CLUB MEETS

The Mothers of Twins Club held a rummage sale in connection with a regular meeting Monday evening in the home of Mrs. Freda Dine, 2207 Rock road.

Appointments at the meeting were appropriate to the season and four new members were welcomed by the group. They were Mrs. Margaret Feeney, Mrs. Betty Stover, Mrs. Elizabeth Nieport and Mrs. Carol Gendron.

A Christmas party and gift exchange was planned for Dec. 12 in the home of Mrs. Leo Willis, 1521 Cottage avenue, and refreshments were served to 13 members.

Prizes in the games were awarded to Mrs. Geneva Downing, Mrs. Pat Kent and Mrs. Millie Shubert.

Eubanks Explains Blood Program

George Eubanks, information officer at the Granite City Engineer Depot, was guest speaker Wednesday afternoon at a meeting of the Nannook Women's Club, discussing the blood bank program for this area.

The meeting was held at the Grand Cafe with Mrs. Paul Reintjes, Mrs. William Ogden and Mrs. J. C. Byers as hostesses. Mrs. Leo Schermerman, president, was in charge and plans for the Mental Health Clinic were discussed by the group, as well as a number of other activities among them the annual Christmas party Dec. 21. This too, will be held at the Grand.

Fourteen members attended yesterday's meeting.

Hope To Open New McKinley Toll Plaza In Few Weeks

Now in its 51st year, the McKinley Bridge may be a few months older before its "face-lifting" is fully completed. But plans still call for opening most of the new paving and transferring the toll facilities yet this fall.

While the plans must remain somewhat indefinite due to the unknown factor—good or bad weather—it is hoped to apply blacktop material in a few days on the northern half of the Venice approach and on the toll plaza adjacent to Main street. The temperature must be above 40 degrees for the blacktop to be poured.

As soon as this is done and electrical lines and equipment are connected at the new toll booths, traffic will be routed through the plaza and the present booths on the Missouri end of the bridge will be abandoned.

Missouri Approach Ready
Most of the concrete paving is finished, and the formerly abandoned southern half of the Missouri approach is ready for use beginning with the toll station move.

Definitely expected to be left for completion next spring is the revamping of lanes leading into the Missouri approach to the bridge from Ninth street.

Question marks—with completion in December or next spring—include blacktop paving of the middle lane adjacent to the newly-replaced railroad tracks and the area near the

top of all lanes on the Venice approach.

Install Planking
Crews were out in large numbers this week installing permanent planking on top of the bridge. Tail light standards are in place adjacent to the Main street plaza.

With all material shortages and jurisdictional questions resolved and a large force at work, city officials and contractors hope that a major portion of the \$7,000,000-plus bridge remodeling program will have been completed by early December.

Wakefield Is Cubmaster Of Cub Scout Pack 13

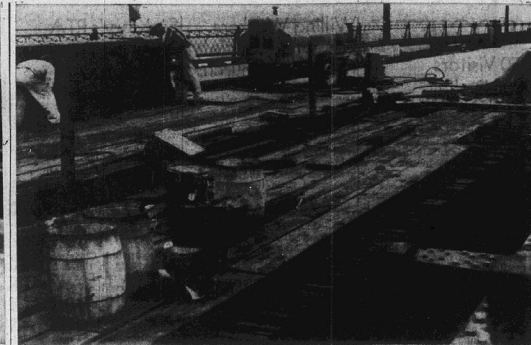

Cub Scout Pack 13 met Wednesday night at St. Elizabeth school with 68 Cubs and their parents present. Leonard Roberson, neighborhood commissioner, gave a brief talk on Cub Scouting, and introduced John Slay, in charge of a den mothers' training course.

Toy Wakefield was selected as the new cubmaster, succeeding David Daniel. Slay presided during a Bazaar ceremony for 17 boys who joined the pack.

Seventeen Cubs qualified for the 50th anniversary award, four advanced to Boy Scout rank, one advanced to Webelos, 22 received one-year pins, four received two-year pins, four received three-year pins, five silver arrows

READY FOR TRAFFIC, this newly-paved section of the McKinley Bridge will afford four traffic lanes throughout its length. The present two-lane section connecting the main part of the bridge with Ninth street in St. Louis is shown at right, with several cars approaching in the distance.

REPLACEMENT OF PLANKING is continuing as part of current remodeling work on the Venice-owned McKinley Bridge. Workmen are shown prying loose old timbers. The new boards in this area are to be coated with a blacktop surface for vehicles.

three gold arrows, one bear badge, one a wolf badge and one a denner stripe.

The pack's Christmas party will be held at the school on Dec. 21, with mothers decorating the tree on Dec. 18. A bazaar sale was tentatively scheduled for Dec. 4. Den four received the attendance trophy.

TURKISH TROY
The ancient city of Troy was located in what now is Turkey. Remains of the city are part of a vast mound called Hisarlik, close to the Dardanelles.

Brother Of J. E. Cleland Dies In Canada

Funeral services were held Sunday for Ben Johnston Cleland Jr., 46, prominent Canadian businessman and operating head of extensive lumber, real estate, financial and export shipping enterprises, who died suddenly of pneumonia at Newcastle, N. B. He succumbed Nov. 2 at Miramichi Hospital.

The New Brunswick man was a younger brother of J. E. Cleland, 1619 Pontoon road, who flew the 2000 motive to Newcastle to attend the last rites.

Representative of the Madison County Mental Health Clinic, Mrs. Jo Crouch, was a speaker last night before 60 delegates of the Tri-City Trades and Labor Council meeting at the Labor Temple.

She outlined the services and purposes of the local clinic and explained methods of treatment and the rate structure. There are clinics in Granite City and Alton, both supported by the United Fund and state contributions as well as fees.

Edwin Relke, president of the trades council, said there also were talks by Marshall McDuffy, representative of the Teachers and Chauffeurs Union, who explained the current taxabed drivers' strike; and a representative of the Peoria Retail Clerks Union, who explained picketing of a local store.

Reiske said the council has not yet received a reply from the Granite City school board on a request for a meeting of labor council and school officials.

Trades Council Hears Talk On Mental Clinic

Representative of the Madison County Mental Health Clinic, Mrs. Jo Crouch, was a speaker last night before 60 delegates of the Tri-City Trades and Labor Council meeting at the Labor Temple.

She outlined the services and purposes of the local clinic and explained methods of treatment and the rate structure. There are clinics in Granite City and Alton, both supported by the United Fund and state contributions as well as fees.

Edwin Relke, president of the trades council, said there also were talks by Marshall McDuffy, representative of the Teachers and Chauffeurs Union, who explained the current taxabed drivers' strike; and a representative of the Peoria Retail Clerks Union, who explained picketing of a local store.

Reiske said the council has not yet received a reply from the Granite City school board on a request for a meeting of labor council and school officials.

Vandals Damage Auto

Richard Taylor, 2065 Garfield avenue, reported to Granite City police yesterday afternoon that vandals had broken two windows and the windshield in his 1953 auto while it was parked at the rear of his home.

FELLOWSHIP MEETS

The Christian Youth Fellowship of Central Christian Church met Sunday night, with President Allen Kennedy in charge. The prayer was given by David McKel. The group discussed a paper drive to be held Dec. 17, followed by a social hour. Refreshments were served to which all the CYF members will bring a guest for supper and recreation. Cheryl Rice is in charge of the supper.

The group decided to support a Korean child for a year, and again discussed a Christmas project. The service project is to buy a shrub for the church grounds, with Larry Whitsett in charge.

The meeting was adjourned and then David McKel read from a book, "The Greatest Story Ever Told." The worship was given by David McKel and Conley Howell, and Peggy Lipford led songs. The meeting was closed with the friendship circle.

Refreshments of ice cream and cookies were served by David McKel and Larry Papp. To Martha Spengler, Allen Kennedy, Peggy Lipford, Cheryl Rice, Mary Crouse, Bill Mertiz, Mike Vassileff, Conley Howell, Larry Whitsett, Jim Chandler, Cindy Laster and the sponsors, Mr. and Mrs. Clay Rush.

After the meeting, the youth choir practiced, with Mrs. J. G. Rutter directing.

PLAN CHRISTMAS PARTY

The Long Lake Amvet Auxiliary Unit 187 met Tuesday night, with President Ruth Schmidt in charge. Plans were made for an Amvet Christmas party and gifts will be exchanged.

A discussion was held on a bake sale which will be held in the near future, and the proceeds will go to help organize a "teen town." Mrs. Florence Powers and Mrs. Geraldine Dowdy were assigned to the committee.

Plans were made for the teenagers' holiday dance immediately after Christmas. The closing prayer was given by Chaplain Wilma Parnley.

The Amvets will have a special meeting Dec. 7 in observance of Pearl Harbor Day. Refreshments were served by Mrs. Rita Mae Rutherford and Mrs. Ruth Schmidt.

Intermediate Girl Scout Troop 31 met Tuesday with Mrs. Corinne Kreher, assisted by Mrs. Florence Deatherage. The meeting was conducted by Vice-President Janice Kreher. The girls made Christmas ornaments for the festival of giving and will bring canned goods for the festival.

The Christmas party was discussed and new prayers were learned. Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belgen, Linda Hamilton, Karen Deatherage, Janis Mehele, Cheryl Fisk and Peggy Busby.

The Heralds of Cedar View General Baptist Church met Monday evening at the church. The roll call was answered with Bible verses. Shirley Roberts told a Bible story about "Here and There in the Bible."

The children sang choruses and drew Thanksgiving pictures. Refreshments of soft drinks and cookies were served by Mike Carr and Shirley Roberts to Mike Bayes, Dennis Farrance, Leslie Farrance, Debbie Hornoll, Jackie Gallia and Donnie Gallia.

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp, assisted by Mrs. Iona Clark. The boys said the pledge and promise, checked achievements for the bear badge, worked on Thanksgiving boxes, practiced songs for Thanksgiving and closed with the Lord's prayer. The boys will go swimming Friday at the YMCA. Those present were Michael Boyd, Robert Clark, Dennis Cline, Larry Rapp and guests, Gary Rapp and Jimmy Clark.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker. The meeting opened with the pledge, and each boy said the cub scout promise. All said the laws of the pack together. The boys practiced songs for the pack meeting, discussed the first Thanksgiving and carved "vegetables" out of plastic that were served at the first Thanksgiving. Those present were Leonard Walker, John Pelleke, Gregory Walker and Bobby Bunselmeier.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Assistant Scoutmaster Leonard Barry, Herb Polley and Bob Anderson. The boys worked on some of their requirements.

Those present were Jon Bailey, Glenn Warfield, Willard Hicks, Leslie Hall, Mike Abernathy, Bill Ashley, Mike Krause, Donald Dayton, Larry Dayton, Alan Getteman and Dennis Boyer.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, 4051 Lakeside drive. The boys said the pledge, practiced a play for the pack meeting, sang and did handicraft. Refreshments were served to Larry Harvey, Gary McDonald, Dennis Bringer, Herb Williams, David Dayton, Michael Norton and Edward Van Scoy.

RADIANT CLASS MEETS

The Radiant class of the Pontoon Southern Baptist Church met Tuesday at the home of Mrs. Bernadine Bryant of Spring avenue. The opening prayer was given by Mrs. Lucille Martin and Mrs. Bryant gave the devotional on "What Is a Name?"

A short business meeting was held, followed by a social hour. Refreshments were served to Mrs. Izetta Stayduhar, Mrs. Evelyn Knutt, Mrs. Myrtle Anderson, Mrs. Lucille Martin and Mrs. Bernadine Bryant.

Rev. Putnam of East St. Louis was guest speaker Sunday at the Pontoon Southern Baptist Chapel. He and his family were dinner guests at the home of Mr. and Mrs. Paul Stayduhar that day.

Local Girl Scout Leaders Attending Nat'l. Convention

Four Quad-Cityans are among the 423 delegates attending the national convention of Girl Scouts which opened Monday at the Kiel Auditorium, St. Louis, and will continue through Friday.

In addition, 20 local adult neighborhood leaders and a group of eight senior Girl Scouts are among the convention visitors who will attend to top 10,000.

Two buses are taking the local group to the session which start during the morning and continue in the evenings. The convention, which also has attracted hundreds of visitors from foreign countries, is scheduled to end about noon Friday.

Name Plates Ready For Mitchell Streets

Mitchell Kiwanians have received the raised letter metal street name plates to mark the community's thoroughfares. It was announced Monday night at the service club's dinner at Smith's Cafe.

The club will purchase brackets and posts needed for installation, and the designating plates are expected to be up by Christmas time.

Pres. Robert Franko said the street signs would be placed in business and residential areas. The club saw a filming of "The Spectacular 500," a documentary of the 1960 Indianapolis race. Ten members attended.

\$203,040 Madison City Costs In 6-Month Period

At the halfway point, Madison had spent 54% of its annual budget and overdrawn two accounts, two were untapped and the city expects to come out of the fiscal year with a balance of \$194,430. There were outstanding warrants of \$1742, leaving an available balance as of the first of this month of \$193,333.

To his report on the operating budget, Controller Miller appended the following paragraphs:

"The city of Madison's tax levy for all purposes was \$137,841, of which 77% or \$105,363 has been received from the township tax collector leaving a balance of 22% or \$44,514 to be received from the county treasurer."

"Taxes to be received, together with revenue from licenses, sales tax and other receipts, should produce a balanced budget at the end of the fiscal year."

Tax Delinquencies High
Supplementing this, Mayor Stephen A. Maerz advised the aldermen that tax delinquencies might run from 8 to 10% of the uncollected tax, but assured them "we have a balance to meet such contingencies."

The mayor described Madison's fiscal condition as "very healthy." Undrawn on as of Oct. 31 were the budget's public benefit account of \$3400 and the \$1125 election appropriation. However, the period covered in the compilation did not include the Nov. 8 general election.

Already overdrawn were the contingent expense account and the FYCA (social security) monies. There were social security payables offsetting this, however.

Mayor Maerz explained the contingent expenditures account had been used to buy approximately 600 sweet gum trees to be planted by the city along 5th, 6th, 7th, 8th, 10th and 12th streets, Edwardsville road and Greenwood street.

New Trees Total 3000
These, along with 277 replacements, will bring the city's new tree planting to the 3000 mark. Maerz related, He said sweet gum had been chosen since its roots grow straight downward and do not cause sidewalks to bulge upward.

During Tuesday's session, Mayor Maerz reported that emergency, stand-by measures had been taken to provide a temporary animal shelter for stray, homeless and lost pets.

Collide Near School

A collision of southbound autos on Farish street adjacent to Madison high school at 3 p.m. Tuesday damaged the front of the car of William Birdley, 1686 Second street, and the rear bumper and trunk of the auto of Rev. William Woesszlo, 416 Ewing avenue.

This had been set up in the rear of the municipal garage, and will serve until completion of Madison's new animal pound. Bids on the new animal shelter have been received by the council, but not formally acted upon since the estimates were viewed as too high.

Architectural plans of the shelter are being revised by Architect Virgil H. Dulgeroff and it is expected new bidding will be asked.

Amvets Present Flags
At the outset of the meeting, American new flags were presented by the city of Madison Amvets Post 204. Making the presentation were: Comm. 1st Harry Perkins, Edward Uherick, senior vice-commander and Fifth District adjutant, Vasil Graville, public relations officer.

Commander Perkins suggested the flags be used at the city hall and the city library and the two Municipalities.

Speaking for the city and the aldermen, Mayor Maerz thanked the donors and the veterans' organization they represent. He asserted that he and the city join with all former servicemen in the devout wish and prayer for peace in this land and in the world.

At the controller's six-month report, made public were general fund cash receipts and disbursements for the period ending Oct. 31.

With a May 1 balance of \$302,668, added receipts of \$251,518 were offset by disbursements of \$178,419, leaving a balance of \$375,768.

Taxes, Licenses
Major items of receipts included: Taxes, \$109,619; business licenses, \$3088; fines, \$2946; salary reimbursement (bridge operation), \$8267; retail liquor licenses, \$8833; sales tax, \$18,957; social security refunds, \$3864; transfers from special revenue to general funds, \$65,000.

Major disbursements were: Police department, \$55,579; fire department, \$13,035; streets and alleys, \$33,808; street program, \$23,049; salaries mayor and aldermen, \$3642; sewer department, \$3189; finance and accounting, \$2927; street lighting, \$2433; and garbage department, \$8366.

In the comprehensive fiscal report, Controller Miller likewise included a statement of condition of the city's numerous special funds.

The condition of some of them as of Oct. 31 follows:
Police pension fund, \$19,481; public library fund, \$9025; motor fuel tax fund, \$28,712; playground and recreation fund, \$9948; and special revenue fund, \$31,120.

In general budget outlays, it was pointed out during the first half of the fiscal year \$12,478 of playground and recreation account monies had been spent out of a budget of \$16,760. Since a lion's share of this fund is expended during the summer months, the standing balance is relatively small.

'Kiddie Christmas Party' By Amvets On Dec. 18

Madison Amvet Post 204 will hold its annual "Kiddie Christmas Party" on Sunday, Dec. 18, at 2 p.m. at the Polish Hall in Madison. It was decided during a post meeting last night.

Party chairman is Steve Kersich, who reported that letters have been sent to all Amvets members requesting replies as to the gifts planned for youngsters who attend the event.

The post voted to furnish and erect a flag pole on the Madison senior high school football field, and Post Commander Harry Perkins, Edward Uherick and Public Relations Officer Vasil Graville reported that four 50-star American flags were presented to the city of Madison during a city council meeting Tuesday night.

Four new Amvets members, Leonard Mikolajczak, Mike Fabiszko, Rudy Diak and George Nishke, all of Madison, were inducted into the organization Tuesday.

A declaration by national Amvet commander Harold Russell asking that all posts hold special meetings on Dec. 7, designated as National Amvets Day, was read.

An executive board meeting will be held at the Polish Hall at 7:30 p.m. Nov. 30, with all members invited to attend.

Teen Dance Saturday

A teenage dance, with orchestra furnishing the music, will be given at 8 p.m. Saturday by the Kirkpatrick Homes Teen group and will be held in the recreation center at the housing project, it was announced today by Mrs. Lucille Fields, assistant director.

Charles DeRousse, member of the Granite City fire department, attended a conference of officers and executives of the Illinois Firemen's Association which was held Thursday in Edwardsville. Pearl Smith of Madison, former state president, was permitted to spend an hour at the conference. He has been in ill health. After claims were allowed and plans were made for the forthcoming year, the firemen enjoyed a lunch in the city hall and later viewed the

floor show at Mounds Country Club.

The following "young" people from here enjoyed the student concert Thursday afternoon given by the St. Louis Symphony Orchestra at the Municipal Auditorium in St. Louis: Miss Virginia Pauly, Miss Lois Graves, Miss Nancy Mills, Miss Genevieve Pijan, Miss Marguerite Quinn, Miss Joyce Johnson, John Munson and Ralph Taylor.

Granite City gridders met their fifth conference defeat of the season Saturday at East St. Louis, losing 6 to 0. The score could have easily been more one-

sided if it had not been for the punting of Bob Cease, Captain Holtzschner's alert recovery of fumbles and Eubank's slashing runs. As it was the Flyers scored only in the second quarter and as the result of an intercepted pass.

W. D. Stolk of the Stolk Oil Co., St. Louis, was the speaker at a Madison Rotary Club meeting held Wednesday noon in the high school gymnasium. There were 15 members at the meeting. Francis J. Lahey was the program chairman.

Madison JHS Plans Academic Awards For Honor Students

Approval for Madison Junior high school teachers to continue with the plans for the establishment of an academic awards program at MJHS was granted by the Madison school board during a regular session Tuesday night in the offices of Superintendent Wenzel Brown. Recognition similar to that given students participating in athletic programs at the junior high school is planned. The initial requirements established are that the student maintain honor roll status during each of the six-week grading periods during any one school year, and that his or her grades exclude any "D's".

State Capital NEWS

The major cause of death in Illinois during 1959 continued to be heart disease, which killed 44,014 persons. This was a reduction of 83 from 1958.

Second cause of death was malignant neoplasms (generally known as cancer) which killed 16,443 persons. This was 302 more fatalities than in 1958.

Figures from the state Department of Public Health for the last 10 years show a steady rise in deaths due to malignancies with the exception of a drop in 1958. There were 91 fewer deaths from cancer in Chicago in 1959 than in 1958, while such deaths statewide increased by 263.

Third cause of mortality in Illinois was vascular lesions of the central nervous system, generally referred to as strokes. Deaths charged to strokes numbered 10,884, a reduction of 155 following a four-year increase.

Although 77 fewer deaths were attributed to pneumonia in 1959 this was still the fourth cause of death, claiming 38,053. Disease of early infancy ranked fifth with 3690, an increase of 99 over 1958. General arteriosclerosis, usually associated with old age, claimed 2669, an increase of 107.

Other ranking causes of death due to illnesses were diabetes, which claimed 1576; cirrhosis of liver, 1265; congenital malformations, 1067; hypertension with heart involvement, 1004.

The U. S. Weather Bureau's 30-day outlook for November is heavy precipitation over the state. Below normal temperatures are expected for the state excepting the northeast portion where near normal temperatures are expected to prevail.

Madison JHS Plans Academic Awards For Honor Students

Approval for Madison Junior high school teachers to continue with the plans for the establishment of an academic awards program at MJHS was granted by the Madison school board during a regular session Tuesday night in the offices of Superintendent Wenzel Brown.

Recognition similar to that given students participating in athletic programs at the junior high school is planned. The initial requirements established are that the student maintain honor roll status during each of the six-week grading periods during any one school year, and that his or her grades exclude any "D's".

To Inspire Staff
Board members also agreed to set a later date for an inspection tour of the stage and dressing room facilities at the junior high school, possibly to make a building improvement recommendation following such an inspection.

The board received and placed on file one cook's and one custodian's application.

A new stream gaging station in the Embarras river in Douglas county has been completed, bringing the state total to 150. Information from the stations is applied in state Water Survey studies of watersheds, particularly in determining how often and how long periods of low stream flow occur.

The all-commodity index of prices received by Illinois farmers in mid-October was six per cent higher than in the same month a year ago, according to the Division of Agricultural Statistics. It was 2 per cent higher than in September.

Stocks of old corn in all positions in Illinois totaled 345 million bushels on Oct. 1, the highest for this date in nearly 20 years of recording.

Illinois' first group of inspectors of meat and poultry processing plants has been assigned throughout the state, the Illinois Department of Agriculture reported.

The state's new meat and poultry inspection law, passed by the last regular session of the General Assembly, went into effect on July 1 of this year. Some 650 plants were without inspection of any kind prior to the new Illinois law.

Stillman J. Stanard, agriculture director, in a report to Governor William G. Stratton said the new inspectors are conducting a survey of establishments that have applied for inspection as well as plants that failed to make license application.

Although water supply reservoirs in northern and central Illinois were at seasonal levels at the end of October, some southern Illinois communities were experiencing water shortages, according to William C. Ackermann, chief of the Illinois State Water Survey.

For the last three months precipitation throughout Illinois except the northwest corner has been more than one inch below normal. South of a line from Quincy to Paris the three-month precipitation was more than three inches below normal, and in the region encompassed by a line connecting Tracy, Madison, Vandallia and Lawrenceville, the three month departure exceeded five inches.

Kaminski Bowls Fifth 300 Game

David Kaminski, 901 Grand avenue, Madison, chalked up his fifth perfect game of 300 during open bowling Monday afternoon at the Madison lanes.

A veteran bowler despite his youth, Kaminski rolled 300 at the climax of an eight-game series in which he averaged 241. His scores included 279, 247, 232, 232, another 232 and a 225. His low game was 180.

An employee of the Nickel Plate Railroad, Kaminski recently was discharged from Army service. He was bowling on Lanes Seven and Eight during the perfect game.

PRESS-RECORD PREP FOOTBALL PICKS

Not much to choose from this weekend, with only two area games on tap, both on Friday night. A 7 for 11 weekend was good for 63.6% last week, second lowest "guestimate" of the season. However, the season's average remained respectable with 77 right, 21 wrong and eight ties, which figures out at 72.6%.

We pick Western Military over Cahokia and Assumption over Belleville Cathedral in hopes of climbing nearer the 75% correct mark.

**Big Top Bowl Hosts
SIPBA Session On
Saturday Night**

Big Top Bowl, 3701 Nameoki road, will host the Southern Illinois Bowling Proprietors Association Classic league for the first time at 7 p. m. Saturday, with a match between surging Revere Room of Collinsville and Rusty's of Wood River tabbed as the highlight.

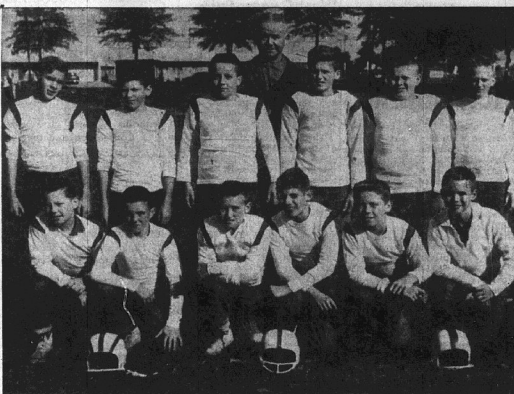

Granite City's entry in the league, Bowland Schiltz, is paired against Loman's Bowlers Shop of East St. Louis. First-place Alton Falstaff meets East Alton entry Pepsi-Cola, while Belleville Black Label Beer and Ripley Bowling Pins of O'Fallon round out the schedule with a three-game set.

Revere Room poses a threat to the Falstaff hold on first place, trailing the leaders by just two games. Just one-half game behind the Collinsville crew is the Schiltz five. Both are in a good position to close in on the leader, since they will roll against second-division clubs.

The Falstaffs, defending champions in the SIPBA, have slumped over the past two weeks, losing four out of six games.

The standings, including worst records and team averages: Falstaffs 22-11, 965; Revere Room 20-13, 961; Bowland Schiltz 19-13-14, 969; Rusty's 17-16, 933; Ripley Pins 16-17, 965; Black Label 15-18, 974; Pepsi-Cola 12-20-14, 943; Loman's 10-23, 939.

Penelton, Townsend in Dead Heat; Lincoln Back Has Game Remaining

East St. Louis Lincoln Half-back Orville Townsend has moved up to tie Edwardsville Full-back Tony Penelton for first place in the district prep football scoring race, and it now appears that the speedster has a good shot at sewing up the title. Penelton, who sustained a knee injury during the course of the Tigers' 19-6 conquest of Belleville two weeks ago, sat out the Bengals' finale against Roxana last week, and his absence must be a 13-6 upset win by the Bengals. In any case, an outright claim to the title cannot be made for another two weeks. Lincoln will complete its schedule on Thanksgiving day in Evansville, Ind.

Any sort of score by Townsend, the only area prep player to boot a field goal this fall, will give him the title. He and Penelton are deadlocked today with 126 points each.

The tie developed when Town-

send scored two touchdowns last Saturday as Lincoln clobbered Edgewood. Penelton, who is still recovering from his knee injury, had completed the game with 126 points. Lincoln, East St. Louis, Cahokia, Western Mill, Belleville, Belleville Cathedral and Assumption of East St. Louis each has one game remaining, but no playing member on any of these seven teams has a feasible chance at threatening the point production of either Penelton or Townsend.

Assumption's Ed Weiss is alone in third place with 72 points, but the race here is still undecided. Fred Riddle and Fred Kristemeyer of Collinsville both have 66 points to their credit; however, the Kahok schedule is complete. Weiss' chief competitor then would seem to be Babe Rousseau of Belleville, who likewise has 66 points, and has one game remaining.

Don't count Bud Gouin of Western Military out, either. With 61 points, he has one game remaining. The area's top 23 scores:

Penelton, Edwardsville	126

West Cagers Split In Season Openers

West junior high school split a pair of season-opening basketball games in East Alton Tuesday, the local seventh grade squad taking the opener 31-30, and the eighth graders coming out on the short end of a 39-22 count.

The seventh graders stretched a slim 11-10 halftime lead by outscoring East Alton 20-19 in the final two periods. Jim Houston and Jim Rains each collected 10 points for the winners. Thanksgiving Eve Light-Up Go-Ahead For Yule Shopping

This is the time of year to be counting the shopping days before Christmas.

Quadrant City merchants—meaning all retailers and service shops—want to make home town shopping attractive, convenient, exciting and desirable. To effect these ends, they are taking steps to make more mid-town curbside parking available to customers; are playing host to Santa; keeping later hours, and standing "treats" for candy, movies and overtime parking.

The after-dark scene will be one of lights and tinsel always associated with the gladsome holidays.

Holiday Windows In

Today, display windows were in colorful, eye-appealing dress, a go-ahead for Operations Christmas '60.

Working through the Associated Retailers and Civic Association, merchants have leased a 100-car, hard-surfaced parking area at 18th street and Cleveland blvd., at the Granite City Industrial Center (formerly Nescos).

Beginning Friday, Nov. 25, and continuing through next month, this will be set aside for the free-of-cost use of all downtown clerks and office personnel.

They are urged, to use it so as to lessen the commercial district parking squeeze, making more room available for shoppers.

Beginning Dec. 5—and for the fifth consecutive year—the Association will pick up the tab for the second hour of shoppers' metered parking.

As it operates, the motorist deposits a nickel for the first hour. If he parks overtime, meter patrolmen will deposit a coin for an hour of parking, free courtesy of the retailers organization.

Schedule Of Events

In chronological order, here's the shoppers' guide-calendar for Christmas, 1960:

Today—Premiere showing of display windows in festival, Yuletide garb.

Friday—Stores and shops open until 8:30 p. m.

Wednesday, Nov. 23—Thanksgiving eve illumination of 36 Christmas cross-street lights, in-

cluding first-time installation on Twentieth street.

Thursday, Nov. 24—Thanksgiving Day closing.

Santa's Arrival Friday, Nov. 25—Christmas officially ushered in with arrival of Santa direct from the North Pole. Opening of St. Nicholas' log cabin at 18th street and Edison avenue, 17th Santa "at home" to kiddies.

Monday, Dec. 5—Christmas-time extra shopping hours start. Stores open 9 a. m. to 8:30 p. m. weekdays through to Christmas eve. Exceptions: Saturdays, Dec. 10 and 17 when closing will be at 6 p. m.

Clerks and office personnel free parking facility opened at Granite City Industrial Center. Likewise, inaugural of free, "on the house" second hour parking for Yule shoppers.

Nov. 25 and Dec. 21, 22 and 23—Kiddies' free movies, continuous 9:30 a. m. to 5:30 p. m., Washington Theatre.

Alvin T. Barnes, executive director of the Retailers' Association, noted today that 36 units of cross-street strands of lights would be installed this year. This is four more than a year ago, and three of the four new ones will be put in place on 20th street.

The old units have been refurbished and their "drapes" electrified, he said. They will go on for the first time on Thanksgiving eve.

Santa will have candy and confection for the youngsters, and all visitors are invited to register. If they wish, the youngsters can have pictures taken with the North Pole visitor.

The association is giving away two girls' and two boys' bicycles as an added flip to the holiday season.

Cadillac

Some secrets its owner can't keep!

We wouldn't go so far as to say that your life is an open book when you're seen in the company of a new Cadillac car.

But we will admit that at least a few of the pages have been turned.

For a Cadillac indicates—with unmistakable clarity and eloquence—the personal virtues that lead a man to the "car of cars".

Beautiful, distinctive and substantial—it reflects his eminence in his field of endeavor... and testifies to what he has made of his years.

Gracious, spacious and luxurious—it denotes his desire for comfort... and his concern for the well-being of his family and passengers.

Practical, sound, and desired—it evidences his

awareness of the true aspects of value and quality. And if a Cadillac has historically cast such credit on its owner—how much more grandly it will do so in 1961!

For the car now offers more of everything to inspire the respect of those who behold it.

Its styling is graceful as never before. Its interiors are remarkably generous in every dimension. And its performance and ride make every journey a miracle of motion.

You ought to inspect and drive this 1961 Cadillac.

Your dealer will be delighted to accommodate you. And we wager you'll quickly see the wisdom of letting the "car of cars" reveal a few discreet secrets about you.

Alaskan Panorama Shown GC Kiwanians

Representing the camera work of seven summer vacation visits to Alaska, Granite City Kiwanians Monday night were shown color slides of the streams, tundra, cities and wildlife of America's 49th state.

Photographed by Eugene Little of the Edwardsville high school faculty, the color slides were shown at the service club's dinner at the Elks club.

Other Edwardsville guests included Clarence Bohn, Erwin Dushman and Charles Mulach. Little, during a period beginning in 1952, accompanied by his wife, has made yearly summer trips to Alaska and the Canadian territories, and recorded the scenic grandeur, the people, places and animals.

The high school business education instructor made five Alaskan trips; by car and others by boat or plane.

President Francis E. Judd presided.

M.F. Joseph To Cast Kennedy Ballot That Really Counts

Of all the presidential votes put into the ballot boxes Nov. 8 in Madison and St. Clair counties, the one that really counts the most won't be cast until Monday, Dec. 19.

And it will be cast by Maurice F. Joseph, New Athens, Ill. He is chief St. Clair county deputy sheriff, chairman of that county's Central Democratic committee, onetime county treasurer and former New Athens general merchant and appliance dealer.

Joseph is the Democratic presidential elector for the 28th congressional district, comprising Madison and St. Clair counties.

Electoral College Meeting
And to cast his telling ballot he'll go to college for one day, that is the presidential electoral college, at Springfield.

There on Dec. 19, joined by 25 other Democratic presidential electors, he will vote for Sen. John F. Kennedy for president of the United States and Sen. Lyndon B. Johnson for vice president.

Certified and authenticated by the secretary of state, the Illinois presidential ballots, all 27 of them, then are forwarded to Washington. And it is not until all the states' presidential electors votes are tallied and an-

nounced that the incoming president is officially declared to be elected.

The tally of states will be made prior to inaugural day before the entire congress assembles in the house of representatives.

And, ironically perhaps, Vice President Nixon will have the duty of announcing the results.

Basis of Votes
Each state has an electoral college vote equal to the number of senators and representatives in the federal congress. Illinois has 27 and, in consequence, can cast that number of votes.

Joseph was named the congressional district presidential elector by the Illinois State Democratic Organization.

He has a long background of work in and for the Democratic party and as an active partisan served as county office holder. Since 1958, he has been chief deputy sheriff in St. Clair county.

During his career, he likewise served as state highway patrol officer.

The electoral college right to vote: Democratic results from that party's Illinois majority in the Nov. 8 election.

Had the majority vote gone to Vice-President Richard M. Nixon, the two counties' presidential electoral vote would have been cast by John Hoban, GOP state's attorney for St. Clair county.

He and his presidential choice were defeated in the November polling.

Joseph has taken a pre-electoral college vacation, and is said by neighbors to be in the south. He is 57.

Explorer Leaders View Slides Of Activities

Photographic slides of activities of Venice Mothers Club Explorer Post One were shown at a quarterly meeting attended by 12 Cahokia Mound Council explorers Monday evening at St. Elizabeth Catholic Church. Richard Wohlschlag, council exploring chairman, was in charge.

Univah District Commissioner Bernard Miller Jr. presented national program awards to Melvin Hildebrand of Post One and Don Beck of Post Six.

Plans were announced for a special council camping rally to be held Saturday morning, Nov. 28, at a place to be decided later. Refreshments were served by Post 13, which was host for the meeting.

Six Weeks Left To Earn 50th Year Scout Badge

The fiftieth anniversary of the Boy Scout movement is rapidly drawing to a close, and scouts have only six weeks left in which to qualify for special golden jubilee year badges which may be worn permanently on the uniforms of eligible scouts.

Packs, troops and posts are being reminded by Cahokia Mound Council executives that four steps are necessary for a boy to qualify for the anniversary achievement award.

Qualifications vary according to age but include recruiting a new member or being a member of a unit that helps organize another unit; advancing one rank or in scouting skills; and participating in a conservation project, "good turn" or "get out the vote" drive.

Cubs must learn to swim or earn a credit point in sports or swimming; scouts must earn a merit badge in personal fitness, athletics, swimming, hiking, cycling or rowing; and explorers must compete in an athletic or field sport for at least eight contests or earn the personal fitness badge.

The award consists of a special badge worn centered over the service stars on the uniform.

City Sales Taxes Continue At Record Quad-City Pace

City sales tax receipts for the three local city treasuries continued at a record pace through August, the latest monthly tabulation of the Illinois Department of Revenue revealed today.

Quad-City municipalities will net \$21,685 on August tax liability, increasing the year's revenue from the half-cent sales levy to \$174,502.

The \$174,502 total is the most accumulated during January-August period. It compares with \$163,672 in the first eight

months of 1959, a year in which the record 12-month total of \$251,315 was recorded.

August's \$21,685 figure compares with \$18,983 in August 1958 and \$20,687 in August 1959.

A breakdown for August 1960 shows \$17,549 for Granite City, \$3,248 for Madison and \$887 for Venice. The \$174,502 eight-month statistics include \$141,227 receipts for Granite City, \$25,

Parked Car Damaged

An auto parked in the 2100 block of State street, owned by Ruth C. Roberts, 61, of 3728 Fair Oaks lane, was damaged Monday afternoon when it was struck by a southbound auto. Police said the license on the other auto were issued to a resident of Des Plaines. There was damage to the left front fender and bumper on the Roberts auto.

484 for Madison and \$7789 for Venice.

Since the tax became effective in all three cities Feb. 1, 1958, counting the latest report, receipts have amounted to \$1,062,335.

Unwelcome, But Here For Winter Starlings A Bane To Local Household, Merchants

When the swallows wing back to Capistrano, there are yearly international news headlines, ringing of village bells and general rejoicing.

When the starlings flock in the Quad-Cities—as they are—there is something less than jubilation on the part of homeowners, housewives, building superintendents, merchants and Granite City's Jack E. Fickler, city inspector.

In the war on the birds, scores of ingenious and inventive devices and techniques have been brought into play, with no marked reduction in the starling population.

A European import, starlings are habituated to concentrating in huge flocks to roost in city shade trees and about cornices and facades of buildings during the fall and winter months, sometimes even during the nesting season.

Do Not Migrate
And—this is no solace—they are not a migratory bird. A. W. Anderson, of the Bush Wildlife preserve, who has made something of a study of the pestiferous, noisome birds, says they do not fly south seeking better winter feeding areas.

"The starling, a songbird with a long, sharp bill, with feathers of greenish-purple or lilac gloss, tipped with buff during the winter, has become established here," he points out. "It is sometimes called the black songbird."

"The starling was brought in from Europe, and unlike most birds native to this area, don't leave during the cold months," he adds.

"Possibly some few in numbers go south from here, but in the large they remain all winter, as those who have them in their yards and on buildings can testify."

This observer said he knew of no quick, ready and specific method devised to eradicate them from city areas and/or buildings. However, in open areas, they have been netted in vast numbers.

Urban Instincts
They are particularly urban birds, and a city-dwellers' problem, right now particularly harmful to the residents of the neighborhood flanking out from the 2500 block of Cleveland blvd. Their roosting areas spill over into many another sector of the Quad-Cities.

Their droppings befoul sidewalks and lawns, and evidences of their roosting are to be seen in front of stores and shops. And not a few pigeons get into the act, further to complicate the problem.

Granite City Mayor Leonard R. Davis said the municipality had long been aware of the nuisance created by great roostings of starlings.

While he offered no therapy, no cure-all guaranteed to drive them out, he had one statement: "I'm very glad the problem is not as serious as in some towns, adding wishfully, 'yet.'"

The mayor said that city hall was particularly free of starlings. A pair of pigeons took of residence there some time back but haven't multiplied so as to become pestiferous.

The mayor surmised that perhaps the smoke of steamfanning plants contributed to holding down the starling population because of St. Louis and other not-far-distant communities.

Recalls Feary
The mayor recalled that about a half-dozen years ago an all-out foray on starlings was launched in the general area from Madison avenue to Washington, but without signal success.

Armed with police shotguns, Civil Defense personnel had a starling shoot, killing hundreds of the pests but making no telling inroads in the total population, area residents remembered today.

For the "shoot" a large section was barricaded and the Civil Defense marksmen went on the hunt.

This was resorted to only after numerous other stratagems were used.

To frighten the starlings from roosting areas, shotguns were fired, scarecrows and owl and cat effigies put in the treetops, and strips of paper attached to branches and limbs.

All this, and the starlings either moved to the neighbor's shade trees or after a period, returned to their original roost.

Birds Win Out
The tenacious birds remained, are still here. Some building superintendents in metropolitan centers have "electrified" windows, sills, cornices and ledges in the war on the birds.

While this disturbs them, it doesn't solve the all-over problem. The nation's capitol is in a long-standing feud with starlings.

Any standard bird book will say, contrary to what is said by those who have them in their treetops and atop roofs and eaves, it is a helpful bird to farmers.

This is because the sparrow eats great numbers of harmful insects, but in the fruit season, it is a pest because it also eats many berries, cherries and even apples and pears.

The birds make their nests in hollow trees, in birdhouses and in holes in cliffs. The female lays from four to seven light-blue eggs.

And, for what it is worth, the common starling is a favorite bird in England, where it lives throughout the year. This, anyway, is what one book on ornithology says.

Quad-Cityans don't join in the starling admiration society.

Parents Invited To SIU Alton Center Saturday

Parents of new students at Southern Illinois University's Alton center will have an opportunity Saturday to learn first-hand about the university's development there.

The afternoon program scheduled for 1 to 4 p. m. will include an address by SIU President Delyte W. Morris at the university auditorium on College avenue.

Parents will have an opportunity to talk with faculty members and see the facilities developed by the university on the former Shurtleff College campus, according to Dr. Howard Davis, director of student affairs.

Lew Shaver, president of the student council at Alton will be chairman of the program, which will include a reception at the Student Union at 3:30 p. m.

Freedom Riders to Go Through Area Tomorrow

The Freedom Riders, who are carrying a leather letter by horseback across the country to the nation's capitol will travel through the Quad-Cities, scheduled to arrive in Granite City at 5 p. m. tomorrow.

Riding day and night, p.o.n.g. style, they left Los Angeles, Calif., on Veterans' Day and are expected to arrive in Washington, D. C., Dec. 2.

The letter they are carrying is a message burned in saddle leather and is a plea for a more powerful stand against communism by this nation. It is to be delivered to President Eisenhower.

The '61 Ford Fairlane Club Sedan Beautifully Proportioned to the Classic Ford Look!

and only the '61 FORD is beautifully built to take care of itself

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF!

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications. Then a quick, inexpensive Ford Dealer lube job (which costs less than \$4.00!) will get you set for another 30,000 miles.

Cleans its own oil—You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Adjusts its own brakes—New Truck Size brakes adjust themselves automatically.

Guards its own muffler—Ford mufflers are double-wrapped and aluminum—normally will last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—New Diamond Lustre Finish never needs wax.

Open Houses Tonight At Wilson, Niedringhaus

The last of a series of open houses in observance of American Education Week will be held this evening. Locations will be the Wilson and Niedringhaus grade schools.

At Wilson, open house will be held from 7 to 8:30, and refreshments will be served. Members of Boy Scout Troop 122 will serve as guides to take parents to various classrooms. There will be no PTA meeting.

At Niedringhaus, open house will be held from 7 to 8 o'clock and a PTA meeting will begin at 8 o'clock. Eugene Alassi will be guest speaker.

Six-week grade periods at most Quad-City schools will end during Thanksgiving Week next week, when school will be dismissed on Thursday, Nov. 24, and Friday, Nov. 25.

Calvin C. Wheeler, 77, Dies In Murphysboro

Funeral services were held Monday at Murphysboro for Calvin C. Wheeler, 77, of that city, who was a superintendent of streets in Granite City during the late 1920's.

Wheeler, who suffered a liver ailment and was in critical condition for a month, died at St. Joseph's Hospital in Murphysboro. His wife, Linnie, also is ill and is a patient at the same hospital.

The Wheelers lived in Edwardsville before moving to Granite City and moved from here to Murphysboro about 10 years ago. He had been farming before he became ill.

Among other survivors are a sister-in-law, Mrs. Mildred Parker, and several nephews and nieces residing in the Quad-City area.

Burial took place at Fairview Cemetery, Murphysboro.

State Rep. Harris Undergoes Surgery

State Rep. Lloyd "Curly" Harris, 3233 Aubrey avenue, is recovering at DePaul Hospital in St. Louis from a hernia operation which he underwent Monday.

He expects to be confined to the hospital for a week or ten days.

Hazards Of Treats --- Santa's Wardrobe Doubled

Santa Claus will not only be his jolly, rollicking self, but particularly neat, dry cleaned and hygienic during his Granite City visit at his sub-Arctic headquarters until at 19th street and Edison avenue.

The Associated Retailers and Civic Association is providing St. Nicholas with two suits of the well-known cherry red with white trim.

Santa will arrive on Friday, Nov. 25, and for his young visitors, there will be candy and assorted confections.

Many of his callers like to climb on Santa's lap to pour into his ear their Christmas gift wishes.

This has resulted in bygone years in considerable smearing, smudging and soiling of his coat and trousers — sometimes his beard — as the kiddies dropped their candy and sweet-meats during their heart-to-heart talk.

To obviate this, Santa can have a fresh change of attire, now that the Association has doubled his wardrobe.

Dental Hygienist Needed At GC Engineer Depot

The Granite City Engineer Depot is urgently in need of a dental hygienist. The rate of pay is \$345 per annum, with vacation and sick leave benefits.

For information as to experience requirements, contact the Depot, Glenview 2-7300, Station 624.

Auto Fire, No Loss

Main station firemen were summoned Tuesday evening to the 2200 block of Lincoln avenue, where a blaze had broken out in the 1953 auto of H. E. Hamel, 2437 Lincoln avenue. No damage was reported.

For information as to experience requirements, contact the Depot, Glenview 2-7300, Station 624.

Betty Grote Serving On SIU Special Committee

A friendship feast with American students sharing the Thanksgiving meal with foreign guests will be held Friday under the sponsorship of the Baptist Student Union of Southern Illinois University, Carbondale.

This is the third year for the dinner which will be open to approximately 1000 Baptist preference students and 271 foreign students now on the SIU campus.

The program will include instrumental music by some of the foreign guests as well as singing of international songs and greetings in various languages. Speaker will be Dr. Ben Stripling, pastor of First Baptist Church of Herrin.

All arrangements for the dinner have been made by student volunteer workers. Betty Grote of Granite City is serving as a member of the publicity committee.

\$10 Disturbance Fine

Mrs. Gertrude Turner, 60, of Oregon avenue, who was arrested Monday afternoon at 18th street and Delmar avenue on a charge of creating a disturbance was fined \$10 and costs Tuesday when she appeared before Police Magistrate Gasparovic and pleaded guilty.

GC Steel Directors Declare 35-Cent Dividend

The board of directors of the Granite City Steel Co. Tuesday declared a cash dividend for the fourth quarter of 1960 of 35 cents per share of common stock outstanding payable Dec. 15 to stockholders of record Nov. 28.

Enters Hospital Mrs. Grace Ham, 2036 Pon-

toon road, entered DePaul Hospital today to undergo a checkup.

Cash dividends of 35 cents per share were paid in each of the first three quarters of this year.

Miss Sofia Gonales, of Madison, is one of eight co-eds at McKendree College in Lebanon, who has been named as fashion models for a college-sponsored style show to be presented Tuesday, Nov. 22, on campus.

The young women will model fashions of the coming season for an audience of nearly 500 persons expected in the college's new gymnasium the night of the show, the purpose of which is to finance homecoming activities on campus.

BROWNIE TROOP ELECTS OFFICERS

Brownie Troop 164 and their leader, Mrs. Lillian Taylor, met Monday afternoon at Emerson school.

The girls elected the following officers: Gail Morris, president; Carla Lude, vice-president; Dolores Hordesky, secretary; and Elaine Willard, treasurer. A flag ceremony was held by the Troop and the girls took part in songs. Sixteen were present.

COMMITTEE MEMBERS serving at the benefit tea of The Quod-City Business & Professional Women's Club Sunday were, left to right, Jo Leslie, Alice Dombroski, Marlene Ramus, Verne Lengyel, president of the club, Lolita Schuster and Gabrielle Betanc. The affair was held at the Elk's Club, the proceeds to be used to enlarge the scholarship fund.

Mrs. Droeg Describes 'Art Of Traveling'

Chapter HT of the P. E. O. Sisterhood was entertained Monday afternoon in the home of Mrs. David B. Maxton, 2515 Delmar avenue.

The hostess served a noon luncheon to 20 members, and Mrs. Marie Droeg, who gave the program, entertained the group with an interesting paper on "The Art of Traveling," discussing several recent trips through Europe and describing experiences in the various countries visited.

Mrs. Mary Miller, president, was in charge at the meeting and plans were made for a 6:30 dinner and birthday party Nov. 28 in the Miller home, 1202 Twenty-seventh street. A musical variety program will be in charge of Mrs. Helen Miller and serving as co-hostesses will be Mrs. Joyce Walters and Mrs. Dorothy Kerch.

Dec. 8 at 6:30 o'clock at the Elk's Club a Christmas party will be given for the B. L. L. and the next regular meeting of the chapter will take place Dec. 12 at 2 p.m. at the home of Mrs. Maxine Anderson.

Link Observes 90th Birthday

E. W. Link, 2267 State street, a resident of Granite City for the past 30 years, celebrated his 90th birthday with a dinner party in his home Monday evening.

Many cards and congratulatory messages were received, as well as flowers and other gifts, and seated at dinner with Mr. Link were the following: Mrs. A. F. Buente sr., Mrs. Lottie Scher, sisters of the host, his son Herbert, and Helen McKeehan.

NEW TEMPEST
AMERICA'S ONLY FRONT ENGINE REAR TRANSMISSION CAR
155 H.P. FROM FOUR CYLINDERS*

The new-size Tempest is primed to scoot on less gas! Five hot versions of the Tempest's engine, 110 to 155 h.p. Any choice will move out in a hurry, sail up a steep hill in high gear, has the power for quicker, safer passing.

Front engine is balanced by rear transmission. (Standard shift or extra-cost automatic.) Takes weight off the front. Easy steering. Longer tire life. Adds ballast in the rear. Improves traction and braking. No big

floor hump. Foot room and leg room for six men. Independent suspension at all 4 wheels. Most other cars only have it in front. Wide-Track, too. The Tempest wheels are set farther apart than the wheels of other new-size cars. Gives a solid stance. Secure cornering. There's a 4-door sedan and a station wagon.

Prices come close—or even beat—the tags on the compacts. If you're figuring on a new car—figure on a new Tempest.

SOCIETY

Calvary Baptist YWA Meets

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening at the church, 30th street and Washington avenue.

The meeting room was decorated in Spanish style and Mexican souvenirs were on display. A typical Mexican dinner was served and following the meal Mrs. Rosalie Jones taught the study book "Caribbean Quest" dealing with Baptist missions in the Caribbean area.

The girls present were Judy Brooks, Patricia Pyrtle, Linda Harris, Anita Phelps, Betty Fraley, Gloria Sille, Mary Courtney, and Judy Pfaff.

The leaders, who also were present, were Mrs. Lois Bradford and Mrs. Edith Harris.

GO TO CHURCH SUNDAY

HONOREE AT CRADLE SHOWER

Mrs. David Seiber was guest of honor Tuesday evening at a cradle shower given by Mrs. Dorothy Yount at Faith Baptist Church.

The affair was arranged as a surprise, and the guests present were Mesdames Connie McNeely, Theima a Gobbie, Mildred Hess, Pat Yount, Sharon Yount, Lucille Colbert, Louise Brown, Ada Yount, Mae Seiber, the honoree and Misses Dorothy Seiber and Alice Meyer.

ADMITTED TO SIU FRATERNITY

Edward A. Devaney, 1913 Lindell Blvd., a student at SIU's Southwestern Illinois campus, is one of 12 new members admitted to the SIU chapter of Gamma Theta Upsilon, honorary geography fraternity.

The organization promotes the professional interests of geography students and faculty through educational programs and recreational activities.

Ideal Class Meets At Home Of Sue Zimmerman

The Ideal Class of First Baptist Church, a group of girls 15-18 years of age, met Tuesday evening in the home of the president, Sue Zimmerman, 2419 Edison avenue.

After the opening prayer and class aims the hosts gave the devotions on "Tithing," and Beverly Deniff was elected treasurer to fill the unexpired term of Janice Booker, who will leave soon with her family to reside for a time in Japan.

Plans were made to adopt a class prayer and the November project of the group will be Thanksgiving baskets for the needy. In December, the girls will have another project, the making and distribution of cookies to needy families while on a carolling tour of the area.

The Christmas party will be held in connection with the December meeting.

250 Attend 'Open House' At McKinley School

Despite inclement weather some 250 persons attended the open house at McKinley school Tuesday evening for a National Education Week observance.

Vasil Georgeff, PTA president, conducted a short business meeting during which a class demonstration was given and later there was visitation in the various rooms.

Refreshments were served by the faculty and the attendance banner went to Mrs. Lushben's sixth grade room.

A December meeting in the home of the teacher, Mrs. Jo Ann Terrell, 2419 Waterman avenue, was held.

Games were enjoyed by the girls during the latter part of the evening and refreshments were served to 11 members. Prizes were won by Carol Birmingham, Beverly Dennis and Janice Booker.

MR. AND MRS. LARRY GOELLER, who were married Saturday at St. Elizabeth's Catholic Church in Mitchell. The bride is the former Janet Ann Gieselmann, a daughter of Mr. and Mrs. Edward L. Gieselmann of Rural Route One.

PTA AREA COUNCIL WILL MEET THIS EVENING

A special feature of the PTA Area Council meeting this evening will be a panel discussion on one of the area's most prevalent problems, how to increase attendance at meetings. The subject will be discussed by a panel composed of parents from several schools trained in leadership aimed at securing greater group participation in PTA activities.

The Frohardt school will serve as host group at the meeting which will open at 7:30. Representatives from all member groups are urged to attend.

EDITORIAL

Efforts, Vote of Each Person Have Direct Effect On Elections

An additional comment could be made on this month's election, even though it is an obvious statement — every vote counts and is important. Closeness of the voting in many states shows the truth of this, and the difference in preference for the national tickets was just slightly over one vote a precinct. The outcome of a single contest changed control of the Illinois House from the Democrats to the Republicans. And President-elect Kennedy's Illinois lead was less than his lead in the Quad-Cities.

With so many millions of ballots cast, some might think it pointless to scan the ballot painstakingly, marking each office according to one's knowledge of the competing candidates' ability and integrity. Yet, this very practice proved decisive Nov. 8. The contradictory results throughout the country can be attributed, in the final analysis, to a more interested and better informed electorate.

We are inclined to agree with the television reviewer who said use of electronic computers killed off much of the suspense. Two of three machines began by predicting the wrong result, and then all three produced landslide forecasts that gave little hint of the actual narrow margin. Worse, they tended to persuade individuals that their vote did not count; the winners were decided, so the public was told, long before some areas had finished voting and before the tabulation of returns here and elsewhere had hardly begun.

The 1960 general election prompted more widespread interest than has developed in a number of years. Its result should persuade Americans, a larger percentage of the people to participate actively in the future, for their efforts can and do make a difference.

Anniversary of Immortal Address At Scene of Gettysburg Battle

It was Nov. 19, 1863, when President Abraham Lincoln appeared at the Gettysburg battlefield to present an address that made little immediate impact but has become renowned for its classically simple but profound statements.

With observance of the Civil War centennial approaching and the need for dedication to American ideals as apparent as ever, it may be helpful to consider the "unfinished work" that Lincoln outlined:

"That we have highly resolve that these dead shall not have died in vain, that this nation under God shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."

In the language of Lincoln, we urge continuing and "increased devotion" to the cause of a "nation conceived in liberty." The immortal words, as apt today as in the past, have stood for 97 years "far above our poor power to add or detract."

Musical Recordings Added To Library Lending Program

Start of a lending department for recordings at the Granite City public library provides a new and useful service. It can do much to enhance local appreciation and understanding of classical, semi-classical, popular and children's music, as well as albums and selections highlighting regional, holiday, and other special music.

The free five-day lending program can enable families to hear new or favorite compositions and orchestration under ideal listening conditions in

their own homes. And it can guide them in selecting records to buy for their permanent collections. The program is a worthwhile addition to the already long list of library services.

Commission Shocked By Poor Dental Health, Says Fluoridation Is Answer

Two major recommendations have just been announced by a 15-member commission that conducted a two-and-a-half-year dental study for the American Council of Education. One was that the total national outlay for dental health be increased twenty-fold, from \$45 million annually at present to a billion dollars by 1972, and the other was full endorsement of fluoridation of water to prevent tooth decay.

Why was either recommendation necessary? The commission found that Americans have 700,000,000 untreated cavities, an average of four each, and that half the populace by the age of 50 has gum ailments causing even more tooth loss than do cavities. Citing an "astonishingly low priority set on dental care by the American people," the group said that nearly a third of the nation receives "virtually no care at all" and that dental health standards generally are quite low.

"Among all known public health measures, the one that stands out as offering measurably striking benefits, and which can be attained in relatively short order, is fluoridation of drinking water," the commission's report says.

Noting that "our 90,000 practicing dentists are simply not enough to take care of the population," the commission said "fluoridation is convenient, inexpensive (about eight cents per person per year, including amortization of equipment) and absolutely safe. In every locality where it has been installed, the tooth decay rate has been reduced by at least 50%, and in some places by nearly 60%."

The sweeping endorsement of fluoridation by an impartial group of such stature deserves consideration by Granite City, Belleville and Swansea officials, whose inaction is blocking the benefits of fluoridation for the vast majority of communities in the Illinois Metropolitan Area, despite the fact that all the other cities served by the East St. Louis and Interurban Water Co. have approved the plan.

This is called an enlightened age, but a chain is only as strong as its weakest link. With a major portion of the United States already enjoying water fluoridation, including the people of such cities as St. Louis and Chicago, should Granite City council members continue to adhere only to the wishes of a vocal minority that admittedly does not accept the unanimous advice of all nationally-recognized medical, dental and public health authorities?

Petty Larceny Charge Filed Against Youth

A charge of petty larceny was placed against a 17-year-old Eagle Park Acres youth, Eugene Foster, 119 Hill street, on a warrant filed by William Gathwright, 206 Watson road, Eagle Park Acres, who said \$120 had been taken from his home in the past 4½ months.

The youth was taken into custody by Madison police on Monday and gave a written statement in which he admitted taking the money in amounts varying from \$2 to \$10 since last July. Gathwright said the youth had been working for him, doing odd jobs around his home.

Foster was transferred to the county jail after failing to post \$500 bond. A hearing is scheduled for Nov. 28 before Judge of the Peace Louis Sam Kimer.

Two Charges Filed After Crash Tuesday

Charges of driving too fast for conditions and failing to observe a stop sign at 21st street and Cleveland blvd. were filed against Thomas M. Yates, 18, of 2408 Kirkpatrick Homes, who was involved in an accident Tuesday night.

Police said Yates was driving west on 21st street and in making a left turn onto 20th street struck a parked car belonging to Vernon Rhoades, 2050 Cleveland blvd. Yates posted his driver's license as bond and is to appear for a hearing Saturday before Police Magistrate Gasparovic.

Venice Fines Total \$50

Fines and court costs amounted to \$50 at four hearings Monday night before Venice Police Magistrate Wesley Edwards. James Vaughn, Alton, was assessed \$15 on speeding; J. C. Wimberly, 1004 Logan street, \$15 on indecent exposure and drunkenness; and William Bouas, Sparta, Ill., and Stacy Johnson, 219 West Second street, West Madison, \$10 each on speeding.

Formal Opening Friday At Johnson Music Shop

The formal opening of Johnson's Music Shop in the new location at 1920 Edison avenue (next door to its former quarters) will be held Friday featuring refreshments, souvenirs, demonstrations of the new Thomas organs and the awarding of an organ.

The proprietor, Wilbur "Jack" Johnson said the formal opening program will be held from 10 a. m. to 9 p. m. tomorrow, during which there will be an "open house" to show the larger quarters with its displays of a full line of musical instruments, tape recorders, hi-fi and stereo record players, the record and sheet music departments and teaching studios.

Johnson, an accomplished musician who has played with big-name bands, has conducted the music shop for 14 years and will be assisted during the formal opening by other members of his staff, John Dolins, salesman; Mrs. Josephine Adamson, bookkeeper; Mrs. Darlene Campbell, secretary; and James Jeffries and James Baldwin of the service department.

Johnson said that by moving his shop to the new quarters, he increased floor space from 18,000 square feet to 45,000, adding to his sales displays, teaching studios, service department and storage facilities.

A special feature of the opening will be demonstrations of the Thomas organ by representatives of the manufacturing firm. Representatives of other suppliers also will be at the shop tomorrow.

Johnson is well known in the community, having furnished music for most civic programs. He also is treasurer for the Granite City park district.

Church Anniversary Rites Tonight, Sunday

Special music by three choirs will highlight a "spiritual banquet" at 7:30 tonight, marking the start of observance of the 60th anniversary of founding of the First Presbyterian Church of Madison. It was the first church established in Madison.

Participating will be the Blue bells choir of St. Louis, the church choir and the choir of the nearest neighboring church, St. Mary's Eastern Orthodox Church on Ewing avenue.

Guest speaker will be Rev. Paul Stumph, moderator of the Illinois synod of the United Presbyterian Church in the U. S. A., who went to the ministry from the Madison church while his father was pastor here.

Rev. Stumph is pastor of the First Presbyterian Church of Arlington Heights, Ill., as well as serving as moderator. A second anniversary service will be held at 11 a.m. Sunday at the Madison church, with Rev. Howard Lucas, pastor, in charge and the sermon being given by Rev. Allen Schoff, general presbyter of the Illinois synod.

\$5,384,430 Buying In Quad-City Area During August

Quad-City purchasing during the "back to school" buying month of August amounted to \$5,384,430, records of the Illinois Department of Revenue showed today.

The total compares with \$4,545,326 in August 1959 and \$4,244,773 in August 1958.

While a general upward trend continued, the August figure was far less than in July, when \$11,915,366 buying by manufacturers and wholesalers contributed to a \$15,974,317 tabulation for the month. The latest month shows \$1,283,877 in the manufacturers' category.

\$1,570,322 For Food

Other August statistics were \$1,579,222 food buying, \$572,729 automotive, \$468,043 drinking and eating, \$342,119 filling stations, \$321,917 general merchandise, \$232,250 lumber, building supplies and hardware, \$188,380 furniture, household goods and radios, \$184,124 apparel and \$213,400 all other.

The \$5,384,430 Quad-City total consisted of \$4,476,411 reported by 462 Granite City stores.

400 To Attend GCHS Junior Prom Saturday

About 200 couples are expected to attend the Granite City high school "junior prom" Saturday evening. Hours will be 7 to midnight, and the location will be the memorial gymnasium.

The scene of the orchestra dated in line with the prom theme of "Some Enchanted Evening."

Rock Hurlers Sent Home

A group of youngsters throwing rocks at a house in the 2800 block of Myrtle avenue were sent home Monday evening by Granite City police.

6 Fire Alarms In 4½ Hours, \$150 Loss

Granite City firemen from the main station answered six alarms between 1:15 and 5:30 p.m. Monday.

A loss was reported at only one blaze at 5:20 p.m. when they went to the garage of Paul W. Denhoff, 2294 N. Main road, where a short circuit in electrical wiring caused \$150 fire damage, including \$75 to the building and \$75 to the contents.

The first alarm at 1:15 p.m. was to the home of Virgil Wickler, 1342 Meridian street, where a pan on the kitchen stove burned dry. No loss was reported.

A weed fire at a vacant building, 2150 Washington avenue, was extinguished without loss at 2:30 p.m., as was grass fire on Wabash Railroad property near Switchman avenue where the grass and weeds were touched off by a switchman flare about 4:50 p.m.

Another weed fire was extinguished about 5:15 p.m. at the old cemetery in East Granite and at 5:50 p.m., the final alarm of the day, firemen extinguished a trash fire at the rear of Kenny's Auto Body Shop, 2256 Madison avenue.

Publicity Chairman Of Lutheran Student Group

David Painter, 1959 graduate of Venice high school now attending Eastern Illinois University, has been appointed publicity chairman of Triota region, Gamma Delta, an international association of Lutheran college students.

Painter, together with David Weber, another Venice high school graduate at Eastern, attended the Triota regional convention of Gamma Delta this month at Purdue University, Lafayette, Ind.

Painter Is President of the Gamma Delta chapter at EIU,

where he and Weber are sophomores. The Triota region consists of 19 chapters on college campuses in Illinois, Indiana and Iowa.

Election Views of Political Analyst

Samuel Lubell, political analyst, told area newspapermen and SIU faculty members Monday night at a dinner at the Rose Bowl restaurant that the Catholic vote probably helped Kennedy get a majority of the electoral votes, although it may have cut down his popular vote.

In answer to questions, he explained that this interpretation was possible because of the predominance of Catholic in the large cities of the states which threw the electoral vote to Kennedy.

Lubell expressed the opinion that the close national popular vote was neither an endorsement of President Eisenhower's record nor of the Democratic platform. He attributed the large Republican vote to the fact that "as people go up the economic ladder they usually vote Republican." He did not think either political party can be labeled "conservative."

Lubell estimated that 50 to 60 per cent of the Catholic Republican vote went to Kennedy, with the remainder going to statistics on this, of course, would be hard to come by, and he indicated that it was very likely that the votes of those casting their ballots strictly on the religious issue tended to cancel each other out.

He called attention to the fact that Kennedy had won 54 per cent of the vote in Madison County as compared with Al Smith who got 40 per cent in 1928.

After the dinner Lubell spoke at the East St. Louis SIU center and earlier in the day at the Alton center.

IN MEMORIAM

In memory of **ALBERT M. GRAVES**, Nov. 16, 1959:
You left us, oh so suddenly, your last hours were un-
known;
You left a beautiful memory
We're very proud to own.
You bade no one a last farewell
You went to the good beyond
Your loving heart had ceased to
be.
Before we knew that you were
gone.
We mourn for you in silence.
No eyes can see us weep—
But many silent tears are shed.
While others are asleep.
Sadly missed by
YOUR CHILDREN,
GRANDCHILDREN AND
ALL WHO LOVED HIM. 11-17

IN MEMORIAM

In memory of **ALBERT M. GRAVES**, Nov. 16, 1959:
You left us, oh so suddenly, your last hours were un-
known;
You left a beautiful memory
We're very proud to own.
You bade no one a last farewell
You went to the good beyond
Your loving heart had ceased to
be.
Before we knew that you were
gone.
We mourn for you in silence.
No eyes can see us weep—
But many silent tears are shed.
While others are asleep.
Sadly missed by
YOUR CHILDREN,
GRANDCHILDREN AND
ALL WHO LOVED HIM. 11-17

Wm. Haven Awarded Teacher Scholarship

George T. Wilkins, superintendent of public instruction, today announced William Haven, a June 1960 graduate of Granite City senior high school, has been awarded a teacher education scholarship. Haven, 18, is a son of Mr. and Mrs. Everett Haven, 1841 Bremen avenue.

Wilkins said the scholarship entitles the candidate to enter teacher training at one of five state universities—Illinois State Normal University, Normal; Northern Illinois University, DeKalb; Southern Illinois University, Carbondale; Eastern Illinois University, Charleston; or Western Illinois University, Macomb.

He said the award was made possible by the transfer of an unused scholarship originally assigned to another candidate.

The high school principal certified the name of the qualified candidate to Wilbur R. L. Trimpe, Madison county superintendent of schools.

The scholarship was issued by Superintendent Wilkins after Trimpe also approved the award.

Season Tickets On Sale For GCHS Band Concerts

Season tickets to concerts scheduled by the Granite City senior high school concert band during the school year went on sale this week, priced at \$2 each.

The cost includes admission of two people to each of four performances by the band, which are set on Dec. 1, Jan. 19, Feb. 16 and March 23. All are scheduled in the GCHS auditorium and begin at 8 p.m.

Tickets may now be obtained from members of the band or by calling band director Louis Meek at the high school, 7TR 66610, and requesting reservations. Approximately 2500 of the tickets are available.

Auto Fire, \$30 Loss

A backfire was blamed for a blaze that caused \$30 damage Wednesday morning to the 1955 auto of a M. Wideman. Firemen from the main station were called to 29th and Iowa streets to extinguish the blaze.

Motorist In Collision Faces 'Yield' Charge

Roberta Crawford, 20, of 2442 Adams street was charged with failing to yield right-of-way following a two-car collision yesterday morning at 24th street and Delmar avenue.

Police said she was traveling east on 24th street, while the other car was being operated by North on Delmar avenue by Carol Shane, 22, of 714 Twenty-sixth place. No injuries were listed.

Tire Blowout Causes Crash On Delmar Ave.

A tire blowout caused a traffic accident Tuesday in the 2200 block of Delmar avenue, where Eddy L. Marshman, 16, of 2412 East 25th street, then lost control of his car and crashed into a parked car belonging to James R. Shelton, 62, of 1008 Lindell Blvd.

Police said Marshman was traveling north on Delmar avenue when the tire blew out. No injuries were listed.

Crash On Madison Ave.

Involved in a collision yesterday afternoon on Madison avenue near 20th street were autos driven by Mrs. Melvin Shipman, 46, of 2659 Cleveland Blvd., who was backing out of a driveway, and Dorothy A. Harrison, 38, of 2500 Benton street, who was traveling east on Madison avenue. Granite City police said no one was hurt.
